

TIEDOTE

Release

Weckman Steel's CEO Heli Alanko has announced her retirement and the Board of Weckman Steel Oy has appointed Juha Simola as the new CEO from 1st of December 2018.

"I am very pleased to be able to start Weckman Steel's CEO. During the first few weeks I'm going to visit in various offices, meet personnel in organization, operations and stakeholders. We have very interesting and busy times ahead," says Simola.

Previously, Juha Simola has worked since 2014 in Patria Land business unit as a Senior Vice President, Operations, responsible for all production sites, sourcing, after-sales and offset. 2016 - 2018 he was Senior Vice President of Sales and Marketing.

Heli Alanko continues as Senior Advisor on 1st of December 2018 till 31st of January 2019 and will retire on 1 of February 2019.
